<i>Treasurer's Report</i>	
<i>Board & Committees</i>	9
<i>Meeting Calendar</i>	10

Please send your photos and stories to Peggy Beal at cageliner@raave.com
 Also include any Birthdays and Rescue dates.

**HAPPY DAYS:
 YARD SALE AND GET TOGETHER**

Happy Spring! Sunshine, flowers, and warmer days bring a brighter outlook in many ways! We are finally able to schedule a couple of club events in May and June!

The first will be a Yard Sale on Sat., May 22 from 9am to 2pm at Norman Huckle's house. Drop off donated items from 8am onward. It will be more limited in space than the zoo, so please bring only nicer, more saleable items. This will probably be our only fundraiser this year, so stop over, say hello, and check out all the goodies. Any and all volunteers to help are appreciated! Although it is an outdoor event, masks should probably be worn while interacting with the public unless things change.

The next get together will be at Bartley Ranch Park at the Huffaker Pavilion on Sat., June 19. The gathering will start around 11am and continue into the afternoon. This is the same location where we had our picnic in 2019. It is a lovely spot to be outdoors for a gathering with a covered pavilion and lots of grassy area surrounding it.

Because of the covid situation there will be no common picnic food, so it will be a "bring your own bag lunch" social event. Bring a folding chair for yourself to take advantage of the grassy space. Birds are allowed, but be aware it is an open space with no safety precautions. Masks may be optional depending on the state regulations at that time.

It will be wonderful to see one another and just hang out together! Put the dates on your calendar and plan to be there!!!

Rose Mueller
 Vice President

President's Perch

Dear Members,

I hope this newsletter finds you, your family, and feathered friends well and safe. There is a light shining at the end of the tunnel on Covid-19 restrictions. We are proceeding with plans to have at least two events in May and June. The May event will be our annual yard sale at my home at 2970 Idlewild Drive, May 22nd from 9am to 2pm. Volunteers are welcome and if you have items to donate and can't be here on Sat. you may bring them before the event for safe keeping. We will need tables and chairs to set-up, so please put your name on those items so they can be properly re-claimed We expect birdie items as well as clothes and household goods that you wish to donate. The next event will be a "bring your own" picnic to the Bartley Ranch Regional Park at the Huffaker Pavilion on June 19, 2021.

Now is a great time to review what to do if a fire occurs, and you need to leave quickly with your

birds and other pets. All birds need a carrier to stay safe with you in the car. Have food and water on hand if you have to stay away from your home for several days until the danger has passed. Have your important documents easily accessible.

Please review your estate planning and be certain you know who will care for your birds in the event that you cannot. Having a plan will make it a smooth process for your representative to carry out your wishes.

Many thanks to those of you who have kept up with your dues and a big welcome to new members who have recently joined!

Sincerely, Norman Huckle RAAVE President
